

Redcliff RCMP are continuing their duties throughout this difficult time. We recognize that some businesses are closed, and that many have had to make changes in how they conduct business. To that end, Redcliff RCMP have also made some changes to how we conduct business:

- The front doors of the detachment are locked but we are available during business hours by calling (403) 548-2288
- We are currently not fingerprinting members of the public
- We can do criminal record checks and property damage collisions via telephone and email

**COVID-19
UPDATE**

RCMP members continue to work their shifts and patrol. There has been no effect on service other than members are practicing social distancing and ensuring they are using hand sanitizer and taking other precautions. We are still responding to all calls for service within Redcliff, Cypress County and County of 40 Mile. Cst. Wilke is still patrolling throughout Cypress County and the various hamlets.

We are maybe not doing as much face to face communication and you might only see us driving around and not stopping for coffee, but we are out there and being visible at this time.
