

PRESIDENT RETIRES

Posted July 27, 2017

Des Grant retired as President on March 7, 2017. He held the president title for 26 years and was very involved in the association many years before that.

He was also fundamental in establishing the provincial association in Alberta.

The picture shows him being presented a recognition certificate by Shannon and Wanda (Left to right – Des, Shannon, Wanda)

Second photo shows RCMP Cst Jeff Waites presenting Des with a DARE program shirt, in recognition of his and the association's support of the program. Jeff is the main program coordinator and presenter to all the area elementary schools. Roughly 150 kids graduate from program each year.
